Dear Mrs. Morian: *Beth*

At its meeting on December 14, 1994, the Faculty Senate voted unanimously to endorse the attached resolution on the university's use and control of HEAF monies. This resolution originated in the Budget Committee and was approved by the Executive Committee at its meeting on December 7. For the long-term success and viability of the University of Houston, long-range planning is essential. For this to happen, however, UH must be able to control the funds designated by the legislature for this campus.

Sincerely,

**University of Houston Faculty Senate Executive Committee
Resolution on Use of HEAF Money**

Given the inadequacies and deterioration of campus facilities over the last few years, the condition and importance of the library, and the need for capital equipment, the Faculty Senate requests the Board of Regents of the University of Houston to pledge that, over the next decade, the HEAF monies appropriated to the university will be controlled by, and spent on, each campus in exactly the same amounts as funded by the legislature.
