Creating TurningPoint Account & Registering Clicker/Subscription

1. Log into Blackboard.

2. Select the course you use Turning Clicker/Mobile.

3. Locate and click the **TurningPoint Account Registration** link.

4. Your First Name, Last Name and UH email address (xxx@uh.edu) should be populated. Just create your new password and Check End User License Agreement box and Click **Finish**.

**Note:** If your information is not populated as the following screen, please contact [clicker@uh.edu](mailto:clicker@uh.edu), and add “Creating Turning Account Issue” in the subject line.
5 Now, you have created a TurningPoint account associated with Blackboard. Click “Get Started” to register subscription and clicker device.

6 If you have a Subscription code enter them in the appropriate box and click Redeem. Click Continue twice.

**NOTE:** If you have not purchase a subscription, you can purchase it online at your TurningPoint account (information listed in the end of this document) or at UH Barnes & Noble Bookstore.
7 If you have a **clicker ID** enter them in the appropriate box and click **Add**. Then, click **Continue** twice. 

**NOTE:** You do NOT need to add a device ID if your instructor allows you to use mobile devices and you do not purchase a Clicker.

---

8 You are connected to Blackboard if you see this Green Checkmark.

---

9 The TurningPoint Account Dashboard is displayed. If you see 3 green checkmarks, you have registered successfully. **Note:** You only see 2 green checkmarks if you only use mobile devices.
NOTE: You will see a “Yellow” exclamation mark if you do not register a clicker ID, redeem subscription, or connect to Blackboard.
