UH Chevron Energy Graduate Fellows Award (24-25) (attachment): The University of Houston (UH) Chevron Energy Graduate Fellows Award seeks outstanding graduate candidates at the University of Houston (UH) engaged in graduate education and research in energy topics from across the campus. The program will fund 8 (eight) fellows with a one-year \$12,000 graduate fellowship in addition to any other remuneration students might be receiving. See attached flyer for details and application instructions. **Applications due June 28, 2024.**

Getting Started: Preparing a Nationally Competitive Graduate Fellowship Application

This virtual workshop will guide you through the process of preparing a nationally competitive graduate fellowship, such as the NSF GRFP, AAUW, Ford, and will help you identify large and small awards that can assist you with your studies and boost your CV. The workshop will cover three main areas: 1) Finding and Applying for Funding, 2) Developing your Application and 3) Letters of Recommendation. Register [here](#).

Date: Tuesday, June 25

Time: 2:00-3:00 PM CT via zoom
