

### **Teaching Excellence Award**

Eligible faculty for this award will include all faculty and instructors with at least a .5 FTE and who have achieved an outstanding rating (for teaching) on their annual evaluation for the two most recent consecutive years. Additional criteria (provided by the Associate Dean) will include the last two years of teaching evaluations including all comments, evidence of course development and/or revision, and any other activities that demonstrate a pursuit of teaching excellence.

### **Service Excellence Award:**

Eligible faculty for this award will include all faculty and instructors with at least a .5 FTE and who have achieved an outstanding rating (for service) on their annual evaluation for the two most recent consecutive years. Additional criteria (provided by the Associate Dean) will include any other supportive evidence of service excellence and engagement with our students, the College, the University, and the industry. Service excellence could include club advising, industry and other forms of service to the College or University.

### **Stephen Rushmore/HVS Faculty Research Award**

Eligible faculty for this award will include faculty that has been awarded tenure or is currently on a tenure-track. The faculty member will have achieved an outstanding rating (for research) on their annual evaluation for the two most recent consecutive years. Additional criteria (provided by the Associate Dean) will include publications and grantsmanship for the last two years as well as any other supportive evidence of research excellence.

### **Donald Greenaway Excellence Award**

Eligible faculty for this award will include all tenured/tenure track faculty who have achieved an outstanding rating in all three categories (teaching, research, and service) on their annual evaluation for the three most recent consecutive years.
