The Conrad N. Hilton College of Hotel and Restaurant Management has changed its name to the Conrad N. Hilton College of Global Hospitality Leadership. Please be aware that course listings that once said HRMA will now be listed as GHL for Fall semester courses and beyond. Summer courses will continue to be listed as HRMA. This does not change your degree name or requirements, only the course prefix starting for fall courses. We will always be "Hilton College," but now our new name more aptly describes a program that has become a world leader in hospitality education and produced nearly 10,000 graduates who work in hospitality leadership positions around the globe. So exciting! So many new possibilities!

Please consult the
