EAP SUPPORT

Take advantage of the University’s Employee Assistance Program (EAP). The University’s EAP offers free counseling services and resources to support employees’ life/work success. Whether you need to resolve a stressful work or personal situation, or have a dependent in need of support, the EAP is accessible 24/7 to help with these and other issues of concern. Call 713.500.3327 or live chat with a representative online. To learn more about your EAP benefits, click here.

BRIGHT HORIZONS

Ensure your child or elder care needs are met. When your usual care provider cancels, the unexpected occurs or when your 5-18 year old child could benefit from a virtual session with an experienced tutor - use your Bright Horizon benefit! Be prepared in advance by registering now.

Rely on Bright Horizons® for:

- A back-up plan — find quality care any time, even when school’s closed
- **Support for an elder loved one** — rely on an extra set of hands if their caregiver cancels
- **Full-time child care** — jump ahead on the waitlist at Bright Horizons centers
- **Assistance for the whole family** — access sitters, nannies, pet care, and housekeepers
- **NEW: Virtual tutoring assistance** — use the assistance of a *Varsity* or *Sylvan* tutor for your child providing 1:1 help in 300+ subjects. (Each back-up care day can be exchanged for 4 hours of virtual tutoring.)

**Bright Horizons offers you two main types of care:**

- **Back-Up Child Care**: Bright Horizons offers both center-based and in-home child care when regular care arrangements fall through, for unexpected school closures or illness, or as an out-of-town resource during conference travel. Center-based care is $15 per child, per day or $25 per family per day. In-home care is $6 per hour for up to three care recipients, with a four-hour minimum.
- **Back-Up Elder Care**: If you serve as the primary caregiver for an elder or loved one, utilize in-home backup care for your loved one's needs. In-home care is $6 per hour for up to three care recipients, with a four-hour minimum.
