

Register for Your Annual On-campus Mammogram!

HR POWER UP Employee Wellness program has partnered with **The Rose** to bring 2D and 3D screening services to the University of Houston campus. The Rose's mobile wellness unit will offer on-site, no-cost mammography to eligible employees. A number of appointments are still available for the UH **main campus** on **March 15, March 22, and March 29 in Lot 19F** and the **Technology Bridge March 24**, near Building 7.

Mammograms are covered 100% by BCBSTX HealthSelect for eligible members. (If you have another insurance, please visit The Rose's **insurance carriers** page or call 281 464-5136 to see if your insurance plan is accepted.)

To schedule your mammogram, click **REGISTER** and enter passcode **UH**. To receive a mammogram you must meet eligibility requirements and have a doctor's order. If you have questions or need assistance, please email **mobileteam@therose.org** or call 281 464-5136. Help is available in both English and Spanish.

Appointments take approximately 20 minutes. Results are confidential and will only be sent to you and/or your PCP/GYN (if you prefer).

We hope you will take advantage of this important wellness opportunity.

Thank you,

Court Stein, Wellness Administrator
