Name:

**Dr. Roland Glowinski**

Occupation: Author, Lecturer,  
*Professor of Mathematics*,  
**University of Houston**

The goal of the University of Houston is quite simple. To bring the best minds and resources in the world to Houston. It's paying off. The university's Computational Science program spearheads research efforts at 13 national and international research centers and institutes. That is what makes a great university, a great university.
