The goal of the University of Houston is quite simple. To bring the best minds and resources in the world to Houston. It's paying off. The C. T. Bauer College of Business is ranked among the top 10 percent of the nation's business schools by *U.S. News & World Report*®. And with the new technologically advanced AIM Center for Investment Management, university students manage real investment funds – receiving hands-on education that turns classroom theory into real-world investment. That's what makes a great university a great university.
