Due dates should fall within the timeline determined by Course/Clerkship Director in consultation with the Office of Medical Education and should be clearly communicated to course/clerkship faculty by the Course/Clerkship Director.

- 4. If grades are not released within five (5) weeks, the Course/Clerkship Director and his/her Department Chair will be notified by the Office of Medical Education of the deadline. The Associate Dean of Medical Education will then contact the Course/Clerkship Director. The Course/Clerkship Director will have one (1) week from the original due date to submit grades.

B. Reporting of Grades to Students
