

Please log in to AccessUH. Look for Concur Travel Management icon; click on it and you will need to self-register. Follow the instructions they provide. Enter default cost center: 00730-H0108-2091-B1011-NA.

After you have self-registered, Concur will send you an email. Wait for the email and then Log in and go to Profile/Profile Settings (just under your name)/Expense Delegates. Hit the ADD button and add myself (Stevens, Brenda, bstevens@uh.edu); and Lavanya Lakshminarasimhan, llakshmi@central.uh.edu). (If you type in the first three to four letters of the last name, it will pop up for you to select.) THEN please place check mark in all allowable boxes and hit save.

Now look to the left of the screen and choose Personal Information. Scroll down to “Email Addresses” and hit VERIFY and follow their direction.

Let me (Brenda) know when you have completed all this and then, myself and/or Lavanya, as your delegates, will be able to pull your record to assist with travel arrangements.
