**MATH PLACEMENT**

**Who Should Take the Exam?**
- All students who plan to enter a major in the following colleges: Engineering, Natural Sciences and Mathematics (NSM), and Technology (see specific majors).
- Students who need to take higher level science and math courses for graduate school prerequisites.

**What If You Have AP or Transfer Credits?**
- Scores and transcripts may not be on file when registration begins -- a passing score on the math placement exam will guarantee that students can register for required coursework.
