HUB Vendor: Subcontracting HUB opportunities available

PRODUCTS AND SERVICES

This UH contract is for valet & parking services. Republic Parking Systems is a national leader in parking management services with a regional office located in the Houston metropolitan area. Republic Parking Systems offers the ability to provide valet & parking services for all divisions and departments.

HOW TO UTILIZE THE CONTRACT

In order to procure services against this contract, divisions and departments should follow these steps:

1. Divisions and departments must contact parking@uh.edu to process a request for service. In order to expedite your request type "Valet/Event Parking" in subject line.
2. There are no order minimums for event time lengths.
3. The preferred lead time is 3 weeks, with available services including nights and weekends.

4. An order is invoiced by Paul Lozano and sent to the department for payment by voucher.
