MEMORANDUM

From: University of Houston Tax Department

Subject: UH Pre-Approved Moving Companies

According to MAPP 02.02.05, section IV, University Contracts With Moving Companies, certain moving companies have been awarded preferential contracts for UH employees through Educational & Institutional Cooperative (E&I). In selecting one of these companies, you are not required to obtain three bids. The four moving companies listed on this website qualify for these benefits. However, if the UH employee desires, they may choose their own moving company, but they will be required to obtain three bids if their move exceeds $14,499.99 (State & Local Funds) or $3,499.99 (Federal Funds).

For an international move, the UH Department should coordinate with the moving company to contact the UH employee to obtain personal information regarding their move. For example: for Allied Van Lines; contact Berger Transfer & Storage, Mark McIntyre, since the move is to TX.
