

I-20 Change in Degree Level

I, _____, understand that I cannot travel or work on or off campus after completing all my degree requirements as my I-20 may be shortened (this may not be the same semester you receive your diploma). I will need a new I-20 for the coming semester in order to travel or continue on campus employment. I also understand that I have to submit the new I-20 to my department and UH Human Resources.

Signature: _____ UH ID: _____ Date: _____

The form I-20 must accurately state your level of study with the correct program plan and degree objective. When you complete your degree requirements, your I-20 is automatically shortened, even if you do not report this to us. The program end date is only valid for the degree you were completing. Any change in degree level (higher or lower) or the start of a new degree program at the same level requires a change in degree level I-20 to be issued (e.g. changing from Bachelor's to Masters, Master's to Master's, Master's to Ph.D., Ph.D. to Master's, etc.). A change in degree level requires a new I-20, not a program extension!

Evidence of Financial Support

For a change in degree level or classification, evidence of financial support is **required**. Check with the front desk to determine amount of financial support that is required, and to determine if you must also provide us with any additional documentation, such as a valid passport, current I-20, etc. **Note: If you are employed on campus, e. g. Research Assistant (RA), Teaching Assistant (TA), etc., and entitled to pay in-state tuition based on your employment or a scholarship, new financial support evidence is required.** As applicable, please bring the following documents.

- **RA's, TA's, & Fellowships:** Complete an Assistantship Fellowship Verification form (available at ISSSO front desk or on our website: www.uh.edu/oisss).
- **Scholarships:** Verified with a letter/scholarship recipient verification form from your college or supplying agency. It should also state if you are eligible for resident tuition.
- **Funds from a sponsor or personal account:** Bring a current bank statement or a letter on official bank letterhead (not older than 2 months). If your sponsor is not your parent and is either a U.S. citizen or permanent resident, he/she will need to complete Form I-134 Affidavit of Support (available at the Front Desk of ISSSO or can be downloaded at <https://www.uscis.gov/i-134>).
