How to Get a Parking Permit

Permits are purchased through the myParking Account icon in AccessUH

1. Log in using your CougarNet credentials then click on the myParking Account icon.

2. Click “Get Permits”

3. Click “Purchase Permit”

4. Read the “Did You Know” information and then click “Next”

5. Read about toll tags and how they can be used with garage permits

6. Select the desired permit (Only permits that have availability and which you are eligible for will appear)

7. Add vehicle information
   Choose one vehicle to be the active vehicle on your permit (Please note: You can change the active vehicle at any time)

8. Finish checking out.

The cost of the parking permit will be added to your semester fee bill.
Please allow several weeks for the permit cost to appear on your fee bill.
Your permit is virtual. There is nothing to put in your vehicle. If you drive a different car to campus, you must go into your account and change the “active” vehicle before arriving.
