

UNIVERSITY of HOUSTON
MANUAL OF ADMINISTRATIVE POLICIES AND PROCEDURES

SECTION: Student Affairs
AREA: Campus Life

Number: 13.01.01

SUBJECT: Freedom of Expression

I. PURPOSE AND SCOPE

The University of Houston is committed to fostering a learning environment where free inquiry and expression are encouraged. The University expects that persons engaging in expressive activities will demonstrate civility, concern for the safety of persons and property, respect for University activities, respect for those who may disagree with their message, and compliance with University policies and applicable local, state, and federal laws. The University of Houston maintains its right to place reasonable time, place, and manner restrictions on expressive activities. Additionally, any activities that are unlawful or materially and substantially disruptive to the normal operations of the University, will not be tolerated. The purpose of this policy is to provide for expressive activities to be conducted on University grounds in a manner consistent with these principles. Groups of individuals engaging in disruptive activities or failing to comply with University policies and applicable local, state, and federal laws may face immediate removal from the campus and/or other appropriate actions by University officials and University police.

II. POLICY

This policy is applicable to any non-curriculum related expressive activities (as defined herein) at locations on University grounds (as defined herein). This policy does not apply to official University activities. Those who wish to engage in an expressive activity (including literature distribution) may engage in such expressive activity in the University's common areas (e.g., University parks and sidewalks) without prior registration or approval.

If any area on the University grounds has been reserved pursuant to Section V below, the individual or group who reserved the area has priority for use of the area. If an expressive activity attracts an audience of 25 or more people, disrupts University business or classes, blocks building access, or creates traffic hazards, the expressive activity may be required to be relocated to another area on campus that can better accommodate the large group or type of activity.

University buildings are reserved for use by University of Houston students, faculty, and staff, except as provided herein, or otherwise permitted by policies of the University. Non-permitted commercial activities (as defined herein) are not allowed. Expressive activities permitted under this policy do not imply official endorsement by the University. Decisions to be made by University officials under this policy will be based on the guidelines set forth in this policy and will not be based on the content or viewpoint of a proposed expressive activity. Groups or individuals engaged in expressive activities are responsible for the content of the expression. Questions regarding this policy may be directed to the Dean of Students Office.

Non-University affiliated individuals or groups are only eligible to reserve Lynn Eusan Park (for a fee) and must follow the procedures below to do so. Each outdoor space for any single user, be it a reserving group or individual, can be reserved for a total of three days in any two-week period, but overnight reservation of outdoor space is not allowed. The requesting group or individual seeking to reserve outdoor space pursuant to this section must submit a completed Expressive Activity Description Form ("Form") to the Dean of Students at least seven business days in advance of the proposed expressive activity. This decision will be based only on the aforementioned criteria, and in no circumstances will any decision be based on the content or viewpoint of the expressive activity, or upon the expected reaction of others to the expression, except as permitted by law.

The requesting group or individual, if they so desire, may appeal the Dean of Students' or designee's decision in writing to the Vice President of Student Affairs and Enrollment Services within two business days of the decision. The Vice President of Student Affairs and Enrollment Services will render a decision within two business days of receiving an appeal. Requestors are encouraged to submit their reservation requests as early as possible to allow time after the approval process to prepare for their activities.

V. OUTDOOR EXPRESSIVE ACTIVITY AREAS THAT MAY BE RESERVED IN ADVANCE

The areas marked A, B, C, D, E, and F on the campus map (Addendum A) and provided below are the six (6) outdoor expressive activity areas that may be reserved in advance. - A. Lynn Eusan Park: The park area located northwest of the Hilton College of Hotel and Restaurant Management and southeast of the Ezekiel Cullen Building (Area A on the campus map). University departments wishing to display signs on University grounds that promote official University activities and events must obtain approval from the Dean of Students or designee at least seven business days prior to the proposed display. Signs will be subject to reasonable time, place, and manner restrictions and must include the name of the University department sponsoring the activity that it promotes.
