- This plan is a *suggested* timeline for students who wish to apply to dental school after their Junior Year. Your schedule may differ depending on your personal goals, major, AP/IB and transfer credit, and use of Winter/Summer sessions. It is important you work closely with your major advisor to outline your specific degree plan.
- Certain pharmacy programs may have additional requirements—please review requirements for each school in which you are interested.

**Recommended Advanced Biology Courses include: Physiology (BIOL 3324), Immunology (BIOL 4323), Anatomy (BIOL4397- check topic title), and Cell Biology (BIOL 4374)
