WHAT STUDENTS ARE SAYING ABOUT UHIN4

"UHin4 is an amazing program and the staff really push you to stay on top of your graduation requirements."

- Jackelin Gomez, Class of 2019, Construction Management

"UHin4 has provided me with an affordable college experience. I changed my major at the end of my second year, and I have to take summer classes to maintain my graduation date and UHin4's fixed rate tuition plan has really made that work for me without costing thousands of dollars."

- Faith Clause, Class of 2018, Mathematics

"By being in UHin4, I have learned how to manage my time well in order to experience the best UH has to offer and offer my best to the university."

- Jesus Garza, Class of 2019, Political Science

COUGAR CHAIRS LEADERSHIP ACADEMY

COUGAR CHAIRS LEADERSHIP ACADEMY COMPETENCIES

GRADUATES SHOULD BE ABLE TO:

- Engage with colleagues as a learning community of leaders
- Participate in learning opportunities to frame leadership issues with current research, theory, and best practices
- Participate in an engaged learning environment where action learning, reflective practice, dialogue, and discussion are the hallmarks of leaders learning in the community
- Learn strategies for adapting and blending one's work style to meet the needs to others and the situation
- Clarify personal/professional values and create a mission statement that drives daily behavior and leadership
- Understand and effectively use the principles of communication as they relate specifically to the roles of a leader
- Develop knowledge, skill, and leadership strategies for the growth and development of colleagues
- Develop knowledge and skills for engaging in crucial conversations
- Engage in reflective practice on conflict management behaviors and how to increase effectiveness in these skills as a transformational leader
- Develop knowledge and skill in strategies for reaching consensus, assessing team effectiveness, and managing team conflicts
- Develop knowledge, skill, and specific behaviors for rewarding and recognizing individual and team performance
- Use key concepts related to large-scale change as a leader
- Participate in and develop effective coaching and mentoring practices

BUILDING STRONG LEADERSHIP

- Assess leadership styles
- Work with colleagues to address problems
- Form mentoring and coaching relationships
- Develop an informal network of expertise
