Priority Enrollment Checklist

1

Meet with your Academic Advisor

Set up a time to meet with your [advisor](#) to discuss courses for spring 2018. Review your [academic map](#) and enroll in courses within 48 hours of November 3rd.

If your appointment is after the priority enrollment date, select courses by reviewing your academic map and enroll on November 3rd. Review your courses during your appointment and revise your schedule, if needed.

2

Eliminate Enrollment Barriers

Check your [myUH](#) account for any holds. Click on each hold to learn more about how to remove them.

3

Review Course Schedule

The [spring 2018 course schedule](#) will be available on October 20th so mark your calendars!

4

Add Courses to Shopping Cart

Add courses to your [shopping cart](#) based on the academic map for your major and discuss with your academic advisor. Keep in mind that adding courses to your cart does not complete enrollment!

5

Check Your Enrollment Time

To check for your enrollment time, log into [myUH](#) and navigate to the Student Center. On the left-hand side menu, click on the "Open Enrollment Dates" link under the "Enrollment Dates" heading.

6

Enroll on November 3rd!

UHin4 students have a responsibility to enroll within 48 hours of their priority enrollment time slot. Check your shopping cart and enroll in courses consistent with your academic map.
