1. PURPOSE

The purpose of this administrative memorandum is to clarify the appropriate lines of communication between the University of Houston System and the Texas Higher Education Coordinating Board on matters related to academic affairs in order to insure the timely and orderly transaction of official business.

2.2. In order to respond to requests for information in an accurate and timely way, it may be necessary for component university officials to participate in discussions with Coordinating Board staff directly. In such cases, the component university chief academic officer is the designated administrator responsible for coordinating such communication and keeping the Senior Vice Chancellor for Academic Affairs informed.

2.3. Direct contact with Coordinating Board staff by component university officials shall be governed by the following provisions:

2.3.1. Regarding new degree proposals, the Senior Vice Chancellor for Academic Affairs should be notified of any direct discussions between component university officials and Coordinating Board staff, and if such discussions result in substantive changes to a proposal, such changes should be officially transmitted to the Coordinating Board by the Senior Vice Chancellor for Academic Affairs.

2.3.2. Regarding requests for input on significant academic policy matters, the Senior Vice Chancellor for Academic Affairs shall coordinate a unified system-wide response, or alternatively where appropriate, instruct the component universities to respond directly to the Coordinating Board.
