**Business Administration and Management Field of Study

>3000-4000 level business courses, except for BUSI 3300, ENTR 3310, ENTR 3312, MARK 3337, MARK 3338, and MARK 4379 are not open to non-business majors unless required for their major, a business minor or special program; these students should take core courses instead.
>A change of major to business is not an option if requirements are not met by the end of semester in which 45 credit hours occurs.
>Students should meet with their academic advisor to formulate their own plan. Consult with your Academic Advisor for information on special programs and tracks in each major prior to taking electives.
