

Civic Heart Community Services

*Mission: To help people empower themselves
Since 1989.*

Our History

- Civic Heart Community Services was founded in 1989 as Families Under Urban and Social Attack (FUUSA) and most recently known as Change Happens! Civic Heart takes a holistic approach to providing programs & services, uniquely positioning us to work with populations experiencing the greatest disparities in social determinants of health.

Ways we can Partner w/Agency Programs

Refer

Refer people to Civic Heart's direct services.

Collaborate

Collaborate with Civic Heart to continue the mission and bridge gap in services.

Promote

Promote Civic Heart through community and school stakeholder meetings.

Ways YOU can Support

Volunteering at Civic Heart or attending agency events.

Donate monetary or in-kind items to support the clients and mission.

Civic Heart's Reach

- 8 different school districts
- Partnership w/Harris County Juvenile Justice
- 59 Counties in Texas
- 280 volunteers registered

Thank you for your Partnership

Civic Heart's Vision: To be the fearless heart of the community where lives are valued and elevated, inclusion is celebrated, and our community is inspired.

Please contact us for questions.
