

## FY 2025 One-Time Request C – Campus MLK Celebration

The Center for Student Advocacy and Community will plan the University of Houston Martin Luther King Jr. commemorative celebration with a committee composed of students, faculty, and staff from across campus to create an inclusive campus-wide celebration.

Nearly every one of our peer institutions in the Big 12 have an MLK celebration that includes a day of service and a keynote speaker component.

The Center for Student Advocacy and Community is not in a financial position to fund a campus-wide celebration that embodies the spirit of Dr. Martin Luther King, Jr. Funding for this program will help support this signature campus event that will include a nationally known speaker or artist.
