

Complaint #22-11

Petitioner(s): Kris Pasons

Respondent(s): Sameer The Red - Conscious Coogs

The following allegations were filed Feb 28, 2022 5:42 PM

A4S2C13: Campaigning within the walls of the library, student centers (north, south, and satellite), recreation and wellness center, dining halls, and/or within any dining establishment owned/operated by the University of Houston is prohibited. The Chief Election Commissioner may make exceptions to this at their discretion.

Campaigning within the Student Center area. Also campaigned as soon as the fire alarm went off in the library.

I did not reach out to the respondent for a defense due to it being clear that the complaint lacked merit.

Decision [3/1/22 at 9:20AM]: Petitioner's complaint **LACKS** merit, and this **IS NOT** a violation of the Election Code.

Conclusion: The breezeway between the student centers is not prohibited. Campaigning within the area of the Student Center is also not prohibited, only being inside of it.

Sanction: N/A
