Committee: Internal Affairs

Draft: Passed

An SGA bill to divide stipend payments to members of the elections commission into monthly installments.

Whereas, stipend members of the elections commission are paid a lump sum after their jobs are performed; and

Whereas, the members of the elections commission should start working on SGA elections immediately after getting appointed; and

Whereas, getting paid in monthly installments starting at the time of appointment would incentivize the members of the elections commission to start working towards SGA elections.

THEREFORE BE ENACTED by the Senate of the Student Government Association of the University of Houston that:

Stipend payments for the members of the elections commission be made in monthly installments beginning a month following their appointment and confirmation by the Senate; and

BE IT FURTHER ENACTED by the Senate of the University of Houston Student Government Association that:

The way and timeline in which monthly installments are made will be determined by the Center for Student involvement.
