Senator Allotment Amendment

Whereas, the University of Houston Student Government Association actively strives to maintain fair representation of the student body; and

Whereas, in the previous Student Government Association Constitution flaws were found due to vague wording,

THEREFORE BE IN ENACTED by the 51st Administration of the Student Government Association of the University of Houston:

That the University of Houston Student Government Association proposes a ballot measure to be presented to the Student Body that seeks to amend the following Section of the Student Government Association Constitution to:

Article 4, Section 2, Clause 2:

For each four (4) percent and/or part thereof that a college or school has of the university's total enrollment, that school or college shall be entitled to one (1) representative. In the case that one college does not meet the four (4) percent requirement, they may still elect one (1) senator as their representative.

BE IT FINALLY ENACTED that the 51st Administration of the University of Houston Student Government Association will hold itself accountable and strive to keep the Senate a fair representation of the student body.
