Supporting the Price Adjustment for Student Center Satellite  
Dining Establishments

Whereas, as of January 23<sup>rd</sup>, the Taco Bell located at the Student Center Satellite had menu items that were priced higher than those of an average national Taco Bell establishment;

Whereas, as of January 23<sup>rd</sup>, the Cravings Value Menu located at the Student Center Satellite served Tacos, Burritos, and Specialties at \$1.85 – an 85% price differential when compared to \$1.00 at the average national Taco Bell establishment.

Whereas, affordability is a key characteristic students may look for when deciding on a dining establishment;

Whereas, after bringing light to this issue, the establishment decreased their value menu item prices by approximately 25%.

Therefore, be it resolved by the Student Government Association of the University of Houston:

That the Student Government Association is in support of dining establishment in the Student Center Satellite reviewing and updating their menu prices to best match that of the national average.

Be it further resolved, that the Student Government Association is in wholehearted support of and celebrates Taco Bell's decision, as of January 31<sup>st</sup> 2019, to decrease value menu items from \$1.85 to \$1.39.
