Draft: Final

Supporting More Vegan Options in Moody Dining Commons

Whereas, Vegan students have expressed concerns about finding meals in Moody Dining Commons.

Whereas, the current Vegan options are not sustainable for the Vegan diet.

Whereas, a portion of Vegan students are canceling meal plans due to lack of options.

Whereas, Chartwells is working with Vegan students on campus to improve the problems in Moody Dining Commons.

Therefore, be it resolved by the Student Government Association of the University of Houston:

That we support Chartwells' recent actions to add more Vegan options to the Moody Dining Commons;

Be it further enacted, the Student Government Association is in support of the eventual addition to have more Vegan related events (Ex: Meatless Monday.);

Be it further enacted, the Student Government Association is in support of FSAC's potential change to have a Vegan / Vegetarian related sub-committee.
