Agenda Transparency Act

Whereas, communication of agenda items, appointments, and general SGA news is crucial to the entire student body;

Whereas, currently students who are not members of the SGA cannot view the Senate Agenda unless they request from the Speaker of the Senate to be added to e-mail list;

Whereas, a Listserv on the SGA website with an area to input email would allow for greater awareness of agenda items;

Therefore, be it enacted by the Senate of the Student Government Association of the University of Houston:

A form will be placed on the SGA's website which any member of the UH community can sign up to receive Senate Agendas and other important updates. The communications are conducted through a UH Listserv system and the Speaker of the Senate is responsible for managing it.

Be it further enacted, Title 1 (6) (2) (8) of the Bylaws be added;

Be it further enacted, Title 1 (6) (2) (8) of the bylaws reads: "The Speaker will send the Senate Agenda to individuals registered on the Listserv including but not limited to the entire SGA, and other interested students."
