Summer Senate Flexibility Act

Whereas, the current bylaws require summer senate to be held either fully virtually or fully in person;

Whereas, the senate would benefit from increased attendance and participation by allowing flexibility with the meeting format;

Therefore, be it enacted by the Senate of the Student Government Association of the University of Houston:

Article 4, Section 3, Clause 3 of the bylaws will be amended to read:

“Summer Senate meetings will be held either entirely in person, entirely virtually, or a mix of both, with the Speaker stating the format by May 1st of each year at the latest.”
