Red* (journal title followed by an asterisk) indicates that this journal is listed in the *2018 InCities™ Journal Citation Reports®* (Published by Clarivate Analytics) within the category of “Social Work.” Based on JCR Social Science Edition, the **Five-Year Impact Factor**, current and past annual **Impact Factors** are also listed under each of these journals.

Blue represents the **Five-Year Impact Factor** of the journal. The Five-Year Impact Factor is calculated by the following formula: [Citations in current year to articles/items published in the last five years] divided by [Total number of articles/items published in the last five years]

Orange represents the **h-index** (Hirsch index) ¹ and **g-index** of the journal ². For journal ranking use, the h-index is defined as the *h* number of articles in the journal received at least *h* citations in the coverage years ³; the g-index is defined as the highest number *g* of papers that together received g^2 or more citations ⁴. **** h-index and g-index followed by two asterisks** indicates that the results are based on the top 1000 most relevant articles from Publish or Perish 5.

“E-Submission” or **“Online Submission”** indicates that manuscripts may be (or must be) electronically submitted.
