

Job Title	Clinical Team Leader Adult Services
Employer/ Agency	Texana Center
Job Description	<p>The Clinical Team Leader will lead a team (adult and/or youth) through the Texas Resiliency and Recovery (TRR) model of service delivery for community mental health services. The Clinical Team Leader will clinically supervise the QMHP staff as delegated by the direct supervisor, the Clinic Manager. The position will ensure that staff are assessing patients in a timely manner and recommending level of care based on clinical need utilizing the Uniform Assessment process. The Clinical Team Leader will ensure that staff are making every effort to engage patients in the appropriate level of services. The Clinical Team Leader will develop and monitor processes and reports to ensure the (TRR) process is followed and the services provided are clinically appropriate and fully documented. This will include completing frequent chart reviews with reports given to the Clinic Manager. The position will provide therapy services to both children and adults per UM guidelines utilizing Cognitive Behavioral Therapy (CBT). The position will be a part of a multidisciplinary team and participate in case staffing. The position will be responsible for training new employees and completing the required TRR training within specified time periods. The Clinical Team Leader will be responsible for clinical oversight and compliance with all applicable standards and contract measures for the teams they are leading as well as team productivity. The position readily accepts additional assignments as requested by the Clinic Manager including direct supervision of the staff in the absence of the Clinic Manager. The position reports directly to and is accountable to the Clinic Manager of the designated Mental Health Clinic. The position is responsible and accountable for adherence to and promotion of the compliance policy.</p>
