| Job Description   | • Works within the context of a primary care medical home, applying a team based approach to care while working in partnership with patients/families to promote: timely access to care, understanding of patient care that is culturally sensitive and language appropriate, continuity of care, and the improvement of the whole-person through the teaching of appropriate self-management skills.  
• Identify and screen individuals whom have been referred for social service needs from all Legacy service lines.  
• Assess each patient’s medical and psychosocial history as it pertains to current service needs.  
• Provide information, referrals and assistance with linkage to medical, psychosocial, and basic needs services as needed/requested.  
• Advocate on behalf of patients to decrease service gaps and overcome barriers to services.  
• Educate, support and empower patients to learn and utilize self-management and advocacy skills in order to understand their rights, advocate for their needs, and overcome barriers to services.  
• Monitor the efficacy and quality of services through periodic re-evaluation with peers and supervisor.  
• Adhere to all CSW Team guidelines and standards to maintain accurate, timely, and consistent documentation.  
• Participates in Legacy’s Performance Improvement and Quality Assurance Program.  
• Attend training by DSHS/HHSC to become certified under Medicaid’s Case Management for Children and Pregnant Women Program (CPW) and maintain a caseload of CPW patients (licensed staff).  
  o Follow program standards and protocols, including completing Comprehensive Assessments and Service Plans with approved patients.  
  o Maintain paperwork and documentation necessary for program standards.  
  o Stay abreast of all program updates through quarterly webinars and DSHS/HHSC communication regarding program policy updates and changes.  
• If Clinic Social Worker is seeking Clinical Supervision additional duties will be as follows:  
  o Maintain a direct patient care caseload within the Behavioral Health department, which will include the assessment, diagnosis, and treatment of clients with clinical needs.  
  o Meet with LCSW Supervisor on-site for Clinical Supervision sessions as per the Texas State Board of Social Work Examiners requirements.  
• Attend one community coalition or community case management meeting monthly.  
• Demonstrate respect and regard for the dignity of all patients, families, visitors and fellow employees to ensure a professional, responsible and courteous environment. |
- Promote effective working relationships and works effectively as part of a team to facilitate the department’s ability to meet its goals and objectives.
- Attend required training and ongoing education offered by the agency, including, but not limited to: safety trainings and education sessions on Universal Precautions.
- Must be able to travel between locations as needed.
- Maintains work area and equipment in condition required by Legacy standards.
- Performs other duties as assigned.
