### Job Title
Clinician II

### Employer/Agency
**CONTINUUM INTEGRATED** is a behavioral health care facility accredited by The Joint Commission. We are working toward achieving our certification as a Community Mental Health Center. Patients enter our facility for evaluations and treatment of mild to serious behavioral and emotional problems. Evaluations and treatment is provided for individuals as young as 3 to 17 years old. Adults are treated at varying ages. Our higher levels of care are the Intensive Outpatient and Partial Hospitalization Programs which are used to assure stability in the community and to reduce the need for higher levels of care.

### Job Description
The successful applicant must be a team player, have very good clinical and documentation skill with excellent treatment planning knowledge and abilities. Knowledge of electronic medical record is desired. Qualified and experienced clinicians may make recommendations for on-site psychiatric evaluations after biopsychosocial assessments have been completed. Clinicians are responsible for individual and family therapy, chart documentation; treatment planning, multidisciplinary team work and quality management activities. Group therapy skills are required in higher levels of care provided by the facility.

### Qualifications
A minimum of 4 years experience beyond licensure is required as an LPC, LMFT or LCSW. Spanish Speaking is preferred. A license to practice independently in Texas must be present. Treatment experience working with child, adolescents and adults who present with behavioral and/or emotional problems is required. Knowledge and experience working with substance use disorders is a plus.

### Salary/Hours
Salary $56,000.00 per year, revaluation within 6 months.
Full-time hours are desired; Part-time hours may be discussed.
