

<b>Job Title</b>	Licensed Clinical Social Worker (LCSW)
<b>Employer/ Agency</b>	Appddiction Studio, federal contractor. Position is located in Fort Sill, OK
<b>Job Description</b>	<p>Specific Duties:</p> <ul style="list-style-type: none"> <li>• Practice as an interdependent member of the health team and provide important components of primary health care through direct social work services, consultation, collaboration, referral, teaching, and advocacy.</li> <li>• Provide direct and indirect services to both inpatients and outpatients in accordance with social work standards of practice.</li> <li>• Assess and treat outpatients in individual, group, couples, and family modalities exercising professional judgment and using a wide range of social work skills to include individual and family counseling to assist patients and their families in dealing with chronic and acute diseases/injuries.</li> <li>• Conduct psychosocial assessments to determine patient needs and resources (both family and community support). Provide counseling to patient and family in matters directly related to patient limitations, adjustment to medical condition, and ongoing treatment. Develop and implement discharge plans, follow-up care, and transfers to other health care facilities (e.g., nursing homes, rehabilitation hospitals, and VA facilities).</li> <li>• Plan and maintain referral and coordination services with civilian health and social service agencies to provide optimal patient care.</li> <li>• Provide consultation services to medical, nursing, and ancillary hospital staff regarding psychosocial issues, discharge plans, and follow-up care for patients and families.</li> <li>• Provide crisis intervention services.</li> <li>• Respond independently, and with various media, to appropriate military and community requests for lectures and presentations. Take the initiative in seeking out opportunities to present programs to meet the needs of service members and their families.</li> <li>• Develop and maintain working relationships with community resources. Coordinate with teachers, lawyers, physicians, and representatives of their service disciplines for the benefit of the service member and families. Take initiative in identifying and assessing the needs of the military community and organize responses to address those needs.</li> </ul>
<b>Qualifications</b>	<ul style="list-style-type: none"> <li>• LCSW shall have a Masters or Doctorate Degree from a Council on Social Work Education (CSWE) Accredited School.</li> <li>• Must possess a Clinical Social Work license from a U.S. jurisdiction that allows for the independent practice of Clinical Services. Substitute or related degrees are unacceptable. The Clinical Social Worker will maintain a professional license, certification and/or registration as required by the profession and appropriate regulatory bodies. This license will be current (not revoked, suspended, or lapsed in registration), valid (the issuing authority accepts and considers Quality Assurance information, i.e., practitioner professional performance and conduct in determining continued licenses), and unrestricted (not subject to restriction pertaining to the scope, location, or type of practice ordinarily granted to other applicants for similar licenses in granting jurisdiction). The license must be one granted by the recognized licensing agency of a State, the District of Columbia, the Commonwealth of Puerto Rico, Guam or the Virgin Islands.</li> <li>• Shall have a minimum of one (1) year within the past five (5) years in the practice of clinical social work, preferably in a Government setting such as a DOD</li> </ul>

	<p>or Department of Veterans Affairs (VA) MTF and providing clinical services to individuals, couples or groups in clinical psychotherapy services. The Contractor shall ensure that the contract service provider has sufficient training and experience to effectively provide social work services for service members and family members.</p> <ul style="list-style-type: none"> <li>• Shall possess and maintain current course completion documentation for basic life support (BLS) through an American Heart Association and/or Red Cross approved training program.</li> <li>• Shall be required to meet Continuing Medical Education (CME) requirements to ensure licensing and certification requirements have been met. The government will not reimburse for these costs.</li> <li>• Occupational Safety and Health Administration (OSHA) required training for the position in which they will perform, and that training currency is maintained.</li> <li>• Position requires access to Department of Defense computer; therefore, an extensive background check will be performed.</li> <li>• Drug screening is required.</li> </ul>
