### Job Title
CARE Coordinator (LCSW/LPC/Psychologist)

### Employer/ Agency
The University of Texas at Austin, Counseling and Mental Health Center

### Job Description
**Purpose:**
This position is part of the Counselors in Academic Residence (CARE) team that provides mental health services on campus in an embedded model with academic staff and faculty. This counselor will be providing services in a particular school or college. Counselor receives support from CARE team members and other staff from the Counseling & Mental Health Center. *The Counseling and Mental Health Center greatly values candidates who have demonstrated skills and experience providing services to underserved populations.*

**General Comments**
Counseling and Mental Health Center, CARE Program is seeking to fill 3 positions. Must be licensed at Professional Counselor, Clinical Social Worker, or Psychologist.

**Responsibilities**
Provide short term individual and group counseling, crisis intervention, prevention and outreach services to students enrolled in a particular school or college. Provision of training activities such as individual supervision, co-leading and supervising therapy groups, and leading trainee seminars. Provide consultation with professional staff. Works collaboratively and cooperatively with other mental health professionals on CMHC's multidisciplinary staff and faculty and staff within a particular school or college. Reviews client record to determine the progress, effectiveness, and appropriateness of treatment services offered. Maintains current, accurate and timely clinical documentation in accordance with state and federal law, professional ethics, and Counseling and Mental Health Center (CMHC) policies. Coordinates referrals between CMHC and university or community service providers. Attend and participate in departmental and division meetings and staff development programs as assigned. May be asked to perform other related functions.

### Qualifications
**Educational Requirements**

#### Professional Counselors:
Master's Degree in Counseling, Counseling Psychology, Clinical Psychology, or Social Work or other degree which meets eligibility requirement in Texas for licensure; and licensed as a Professional Counselor or the equivalent from another state; must be able to obtain licensure in Texas within one year if licensed in another state. LPCi will not be considered. Two years post masters clinical experience in college or university counseling center or other relevant clinical setting.

#### Clinical Social Worker:
Master’s Degree in Counseling, Counseling Psychology, Clinical Psychology, or Social Work or other degree which meets eligibility requirement in Texas for licensure; and licensed as a Clinical Social Worker or the equivalent from another state; must be able to obtain licensure in Texas within one year if licensed in another state. Two years post masters clinical experience in college or university counseling center or other relevant clinical setting.

**Required Qualifications**
Experience in high demand outpatient or inpatient mental health setting.
Experience providing culturally competent treatment to a diverse client population.
Excellent interpersonal, verbal and written communication skills.

Preferred Qualifications
- Knowledge and experience in working with serious mental illness.
- At least 3 years of significant experience in providing short-term individual counseling and crisis intervention services to a culturally diverse population.
- At least 3 years of demonstrated experience in high demand outpatient or inpatient mental health settings.
- At least 3 years of experience providing crisis intervention, triage, care coordination, and brief therapy to young adults and/or college students.
- Experience working in a college/university counseling center or outpatient mental health setting.
- Ability to work effectively with a multidisciplinary team of mental health providers.
- Demonstrated ability to work effectively with campus personnel, such as professionals in academic affairs and other student services providers.
- Demonstrated ability to work within a large system, and to participate and collaborate effectively in a large mental health services agency.
- Demonstrated ability to maintain a flexible yet highly organized working style.
- Licensed as an LPC/LCSW/Psychologist for a minimum of two years.

Salary/Hours
Full-Time position, Salary to start at $51,840 + depending on qualifications and experience.
