**Job Title** | Virtual Behavioral Health Consultant  
---|---  
**Employer/ Agency** | QUANTUM CONSULTING GROUP  
**Job Description** | At Quantum, we provide our clients a quality culturally affirming experience. Our clinicians have expertise supporting the mental health and wellness of marginalized communities of color, sexual minorities, and gender non-conforming individuals.  
Quantum Description  
We are solution-focused therapists that are also trauma experts. Our overall goal is to help clients uncover their true potential and lead a life that is worth celebrating. Through our culturally affirming therapy or wellness coaching, our diverse clients can get the support they need to deal with their struggles from the privacy of their homes or in the palm of their hands.  
The consultant will work with diverse clients and provide compassionate virtual counseling that includes:  
- Providing Tele-Behavioral Health (TBH) therapeutic counseling services for diverse clients with emotional or mental health challenges  
- Assessment, treatment, and resource development to navigate the mental health and social service systems  
- Facilitating couples or group therapy for clients with mental health challenges  
- Accurately tracking, recording, and reporting data for all clients in timely manner  
- Providing support materials & resource development for clients  
- Any task as assigned by the Quantum  
Additional information:  
This position is compensated on a per-session basis. Weekly hours will be determined by need and schedule.  
**Minimum Qualifications:**  
- LCSW, LCPC, or LPC with experience working with Black and Brown communities, LGBT+ communities, and gender non-conforming clients  
- Effective organizational and record keeping skills  
- Trained in providing virtual mental health services  
- Dynamic and clear communication skills  
- Innovative and passionate recruitment of clientele  
- Knowledge and compassion regarding individual, couples, and group therapy  
- Experience working on a diverse team  
- Experience working with different communication styles  
- Experience considering the impacts of the work on multiple communities, including communities of color  
- Ability to flex communication style to multiple cultural environments  
- Excellent written and verbal communication skills, and ability to present to diverse audiences, specifically racially, ethnically, and socioeconomically diverse communities.
• Experience with dealing with trauma and multicultural issues

**Preferred Qualifications:**

• Proficient with Microsoft Office Products (Outlook, PowerPoint, and Excel)
• Experience working in mental health organizations
• Experience incorporating the perspectives of multiple communities, including [communities of color and sexual minorities], in the consideration of impacts and outcomes of a decision-making process.
• An understanding of the concepts of institutional and structural racism and bias and their impact on underserved and underrepresented communities.

Quantum is committed to building a diverse staff and strongly encourages applications from candidates of color, sexual minorities, and differently abled consultants are encouraged to apply.
