Job Title: COVID Crisis Clinical Team Leader

Employer/Agency: The Harris Center for Mental Health and IDD

Job Description: Under the general direction of the Program Manager, the Clinical Team Lead works collaboratively with other local and/or state social service providers and other appropriate disciplines to provide services for individuals impacted by COVID-19. The Clinical Team Lead will lead a team of outreach workers who will provide crisis counseling services to individuals impacted by COVID-19 through a telephonic platform. This position will also train, debrief, and provide supervision to the outreach workers; use data to conduct ongoing needs assessment and COVID-19 trends, coordinates data collection activities and reviews data form submission for accuracy; provides coordination and oversight of the outreach workers' service delivery. May perform crisis counseling as needed for individuals requiring more one on one assessments. This position requires flexible hours and may provide coverage in the absence of the Program Manager.

Qualifications: Must have 3 years’ experience working in a mental health setting with previous supervisory experience and the ability to work with individuals experiencing loss, displacement and stressful events due to natural or man made disasters. Strong crisis counseling skills and working with first responders preferred. Comfortable with providing services via virtual or telephonic platforms. Ability to effectively lead others. Strong communication skills with ability to effectively converse and listen to others and construct clear and concise written communication. Ability to identify and offer solutions to resolve problems, using knowledge of the organization to identify helpful resources. Effective time management and organizational skills. Able to utilize basic Word and Excel documents. Must have basic knowledge of principles of the development, implementation and documentation of individualized care and treatment for a wide range of psychiatric conditions. Must have current licensure in the state of Texas: Licensed Clinical Social Worker (LCSW), Licensed Professional Counselor (LPC) or Licensed Marriage and Family Therapist (LMFT); Master’s degree (M.A.) or equivalent required.

Salary/Hours: $70,349 - $73,866 annually, full time grant funded position.
