**Job Title** | Covid Vulnerable Population Specialist  
---|---  
**Employer/Agency** | The Harris Center for Mental Health and IDD  
**Job Description** | This position is in partnership with The Harris County Public Health to respond to the vulnerable populations serving settings with a higher risk of transmitting COVID-19 with multiple needs. The Vulnerable Populations Specialist will work in conjunction with a multi-disciplinary team to support that population. This position will be required to serve the complex needs of these vulnerable populations that are beyond the skill set of traditional para-professional level crisis counselors. This position will also disseminate information on local resources for testing, follow-up, and seeking testing results through a printed resource card and give resource linkage information via a resource card. Must have experience 3 years of experience in a mental health setting, and the ability to work with individuals experiencing loss, displacement and stressful events due to natural or manmade disasters. Strong communication and active listening skills are required. Strong crisis counseling skills and working with first responders preferred. Must have above average listening and interpersonal skills; written documentation is clear, concise, well-constructed and grammatically correct. Able to work collaboratively with others in a teamwork environment. Effective time management and organizational skills.  
**Qualifications** | Must have current licensure in the state of Texas: Licensed Clinical Social Worker (LCSW), Licensed Professional Counselor (LPC), or Licensed Marriage and Family Therapist (LMFT); Master’s degree (M.A.) or equivalent required  
**Salary/Hours** | $56,422 - $66,999 annually, full time grant funded position.  
**Employer/Agency** | The Harris Center for Mental Health and IDD  
**City, State, Zip** | Houston, TX  
**Application Method** | https://www.theharriscenter.org/Job-Listings  
**Opening Date** | Immediate
