

Job Title	Medical Case Manager (LCSW) Bilingual Spanish
Employer/ Agency	AIDS HEALTHCARE FOUNDATION
Job Description	The Medical Case Manager (MCM) blends the mission of AHF with Medical Case Management, utilizing their experience, skills and education together with a thorough understanding of the Ryan White Care Act Program within their specific area. With a caring and knowledgeable focus, you will work with our providers and healthcare center team so that every Ryan White patient receives the support they require and access to available resources. This will include providing education and assistance so that eligibility for the program is understood. Working directly within the Healthcare Center, you will meet with patients and complete Health Risk/Needs Assessments, develop Service/Action/Care Plans, and provide ongoing education to patients so that they understand their diagnoses and their medications. For Ryan White contracts that combine psychosocial needs within Medical Case Management, you will understand mental health needs and basic needs such as housing, food, and clothing and develop relationships with programs and agencies serving those needs and facilitate referrals, support and assistance for your patients who lack those services.
