

Job Title	Mental Health Coach
Employer/ Agency	The Hope and Healing Center and Institute
Job Description	A Mental Health Coach is licensed mental health provider who offers strengths-based support for persons living with moderate to severe mental health difficulties and disorders. They are responsible for meeting with clients, facilitating support groups, communicating with interdisciplinary team, guiding clients in the referral process, network expansion and serving as a representative for training events and programs administered or attended by the HHCI.
Qualifications	Applicants for the position must have a master's degree in psychology, counseling or social work and at least one year of experience in a clinical setting. Preferred applicants will possess licensure (LPC, LMSW, LCSW, LMFT, or LCDC). Preferred applicants will have experience facilitating groups, conducting psychosocial interviews, connecting clients with referrals in the community, crisis intervention, and providing CBT and DBT services. Applicants that are license eligible will be considered. Proficiency in Spanish is preferred but not required. Applicants must possess technical, clerical, critical thinking and interpersonal skills relevant to total client care in order to safely and efficiently treat clients. Applicant must have the ability to prioritize work with minimal supervision, in order to independently carry out duties.
