

Job Title	Social Worker
Employer/ Agency	St. Luke's Health
Job Description	<p>As a Social Worker at CHI you will provide direct social work services including assessment, treatment planning, intervention, counseling, and recommendations to individual patients (adolescents, adults, elder) and their families/significant others and/or groups of patients. Is knowledgeable in areas such as active listening, social perceptiveness, critical thinking, and coordination. The social worker has the ability to carry the role of advisor, therapist, administrator and clinician.</p> <p>Our world needs compassion like never before. Our communities need caring, and our families need protection. With our combined resources, we are committed to building healthy communities, advocating for those who are poor and vulnerable, and innovating how and where healing can happen, both inside our hospitals and out in the community. This role will allow you to give back to our community and broaden your healthcare skills.</p>
Qualifications	<p>Education and Licensure Required: Master's Degree from a Council on Social Work Education accredited graduate school of social work LMSW or eligible for LCSW</p> <p>Minimum Experience Required: Three (3) years clinical social work or allied health practice, with hospital or medical background or experience</p>
