

<b>Job Title</b>	Lead Clinician
<b>Employer/ Agency</b>	Catholic Charities
<b>Job Description</b>	<p>We seek compassionate, talented individuals with a heart for helping others and making a positive impact on the lives of men, women, and children across our large region. People of faith helping people in need achieve self-sufficiency and live with dignity.</p> <p>Join our team as a Lead Clinician! As a Lead Clinician you are responsible for providing leadership and administrative support to the Catholic Charities Veterans Service Program as well as direct clinical services to veterans and their family members. You will provide services related to providing trauma informed mental and behavioral health services and helping clients to increase their self-sufficiency. The services you provide are on-site at Catholic Charities office locations , in the community and virtually utilizing a telehealth platform.</p> <p>Direct service responsibilities will include providing clinical assessments, counseling services, presentations and workshops. Additional responsibilities may include participation in internal agency collaborations as well as community outreach functions. The position may also be assigned to supervise licensed masters level clinicians, bachelor level staff and graduate level interns/students. The overall goal of these services is to help veterans and their families heal and rebuild their civilian lives by providing support and treatment to overcome challenges including trauma, adjustment difficulties and homelessness. The successful candidate will demonstrate the ability to successfully engage eligible veterans and family members in mental and behavioral health services.</p> <p>You will report directly to and receive clinical supervision from the Counseling Department’s Clinical Supervisor. The successful candidate will thrive working in a fast paced environment, have the ability to manage multiple competing priorities, have an inclination to work across program departments to reach collaborative solutions, motivate staff, and think creatively to solve challenges. As an employee of Catholic Charities it is expected that the Lead Clinician become familiar with the Catholic Social Teachings and promote the integration of these values into the program’s services.</p>
