|-------------------------|--|
| <b>Job Title</b>        | Senior Social Worker – Primary Care  |
| <b>Employer/ Agency</b> | <b>The Michael E DeBakey VA Medical Center (MEDVAMC).</b> This position will be located at the <b>Conroe Outpatient Clinic (COPC)</b> is located in Conroe, Texas.   |
| <b>Job Description</b>  | <p><b>Responsibilities include:</b></p> <p>The incumbent will provide high quality medical social work care and services to Veterans enrolled in outpatient Primary Care. The incumbent is expected to demonstrate the capacity to work independently in the medical/clinical setting.</p> <p>The incumbent independently will provide clinical psychosocial and case management services at an advanced practice level to Veterans and their family members to meet biological, psychological, social, and environmental needs. Their health care and psychosocial problems and needs are complex and require a high degree of clinical oversight, coordination and creative problem-solving.</p> <p>The incumbent provides care coordination and consultation with medical, nursing, and social work staff in other care areas to which Veterans are referred, consulted, treated and/or comanaged. Collaborates with social work, Rehab and Long Term Care, Primary Care, and nursing service to facilitate acute rehabilitation admission, transfer to a skilled nursing facility, initiation or resumption of skilled or nonskilled homemaker/home health services, respite, and/or referral to other VA and/or community programs. Provides assessment, evaluation, treatment, and reporting for cases of suspected or reported abuse, neglect, or financial exploitation. Maintains knowledge of Veteran's benefits and services, community resources, and process for making appropriate referrals to community and other governmental programs or agencies.</p> |
| <b>Qualifications</b>   | Master's degree in social work from a school of social work fully accredited by the Council on Social Work Education (CSWE). Senior social workers must be licensed or certified by a state at the advanced practice level which included an advanced generalist or clinical examination and they must be able to provide supervision for licensure. Please see job posting for additional details.  |
| <b>Salary/Hours</b>     | <p><b>Pay scale &amp; grade:</b> GS 12<br/> <b>Salary:</b> \$89,096 to \$115,830 per year<br/> <b>Work Schedule:</b> Monday through Friday; 8am to 4:30pm; with possible extended hours based on patient need.</p>   |
