Job Title: Behavioral Health Clinician- Weekend Overnight Shift

Employer/ Agency: Memorial Hermann Health System
Behavioral Health Services – The Psych Response Team

Job Description: The Response Team Clinician is a part of a mobile assessment team serving patients at Emergency Departments and medical units throughout the Memorial Hermann Healthcare System. The Response Team Clinician must be able to demonstrate clinical skills for effective crisis intervention and detailed knowledge of mental health diagnoses. The clinician conducts a psychiatric evaluation including a working diagnosis and determines the next best level of care that suits the patient’s condition. Psych Response team clinicians are required to travel to a variety of Memorial Hermann Health System hospitals/campuses in their personal automobile (some patients are seen by tele-medicine).

Qualifications: Master’s Degree in Social Work and licensure as a clinician (LCSW) or undergoing clinical supervision (LMSW); or Master’s Degree in relevant mental health field and fully licensed LPC or LMFT.

Salary/Hours: Salary competitive/ Weekend Overnights: Thursday, Friday and Saturday 7p-7a + (11p-7a every other Sunday)
