

Job Title	CMHC Integrated Health Counselor (LPC, LCSW, Psychology)
Employer/ Agency	University of Texas at Austin – Counseling & Mental Health Center
Job Description	<p><u>Summary</u> The Integrated Health Program (IHP) is a collaboration between the Counseling and Mental Health Center (CMHC) and University Health Services (UHS) where counselors work with the medical providers to provide collaborative and comprehensive medical and psychological healthcare in a primary care setting. This position will provide triage, assessment, and brief individual therapy as well as crisis counseling for university students who are seeking services in UHS.</p> <p><u>Job Details:</u> Provide short-term individual and group counseling as well as crisis interventions to undergraduate and graduate students.</p> <ul style="list-style-type: none"> • Conduct initial assessments of students' presenting concerns. Provide treatment recommendations and conduct short-term counseling with students referred for service. • Maintain timely, accurate, and complete documentation of all service contacts as required by center policies and procedures. • Develop and implement programmatic interventions which address the psycho-social mental health needs of students as applicable. • Develop and facilitate groups in accordance with program needs. <p>Provide clinical consultation to others on an as-needed basis and seek consultation when appropriate. Provide brief crisis consultation to students who present in the medical clinics with urgent mental health needs, as necessary. Work collaboratively and cooperatively with medical providers in UHS and other mental health professionals on CMHC's multidisciplinary staff as well as with other university departments and organizations.</p> <p>Review client record to determine the progress, effectiveness, and appropriateness of treatment services offered. Maintain current, accurate and timely clinical documentation in accordance with state and federal law, professional ethics, and CMHC policies. Coordinate referrals between UHS/CMHC and university or community service providers.</p> <p>Provide clinical training and supervision to social work or psychology interns, as well as pre-doctoral psychology practicum students, when applicable.</p> <ul style="list-style-type: none"> • Provide individual supervision of interns, practicum students, or psychiatric nurse practitioners. • Provide individual supervision of group co-leaders who are not independently licensed. • Supervise interns' supervision of practicum students, when applicable.

	<ul style="list-style-type: none"> • Offer and supervise preceptorships and apprenticeships for interns. • Participate on training-related committees, as needed. • Maintain timely signature on supervisee’s clinical documentation and communicate with supervisor of record on relevant issues. <p>Other required activities</p> <ul style="list-style-type: none"> • Attend and participate in departmental and division meetings and staff development programs as assigned. • Participate in prevention and outreach activities, as needed. • Comply with all CMHC, UHS and UT policies, procedures, and guidelines. • Other related functions as assigned.
