NEWS BRIEFS:

Congratulations to Professor Jerry Waite, program coordinator of the UH College of Technology Digital Media Program | Waite has been elected to 2018 Board of Directors of the Graphic Arts Education and Research Foundation (GAERF). The Foundation mission is to develop the next generation workforce for the graphic communications industry.

Supply Chain Logistics Technology (SCLT) students have moved their student organization to UH Sugar Land | The Supply-chain Industrial Distribution Organization (SIDO) meets monthly at UH Sugar Land to share internship opportunities, listen to guest speakers and socialize with other SCLT students. SIDO supports professional and academic involvement between students, faculty, alumni and industry professionals.

Beginning February 5, 2018, a new print management system will be in place for all University of Houston at Sugar Land students | Uniprint will only be used in the Open Computer Lab, room 303 in the George building. Black and white pages-2 cents per side; color pages 10 cents per side. At the beginning of each semester, students will receive a free print allowance of \$10 on their valid Cougar Card.

STUDENT SUCCESS:

From the Front Line to the Hot Line, a Digital Media final project from student April Domec, details the journey of Lance McWhorter from Iraqi veteran to chef.

About the University of Houston at Sugar Land

The University of Houston at Sugar Land is UH. An institute of the University of Houston—a Tier One public research university—UH Sugar Land is student-centered, industry-informed and community inspired. Our UH students, reflective of the diversity of greater Fort Bend County, come with completed core curriculum to further studies or to major in one of our unique programs. As it works to earn the generosity of its supporters, UH Sugar Land is invested in the success of the area and works in partnership with area businesses, as well as city and county leaders. UH Sugar Land is Tier One in greater Fort Bend County.
