

AI INDUSTRY SYMPOSIUM & CAREER MIXER

Wednesday, March 5

Houston Room, Student Center South
12:30 p.m. – 6 p.m.

Attract and Recruit UH Students in the Age of AI!

The University of Houston HPE Data Science Institute and the University Career Services invite you to attract and recruit UH students at the inaugural Artificial Intelligence (AI) Industry Symposium and Career Mixer sponsored by Chevron. This is an amazing opportunity to show students how the world of artificial intelligence will impact jobs across your industry sector and participate in a Career Fair to attract UH students to your company.

Who Will Attend?

All majors including undergraduate and master's students interested in AI and its industry applications. Those seeking career opportunities in AI-driven fields. Anyone eager to understand the future of industry in the age of AI. All majors are welcome as AI will affect all jobs of the future.

Detailed Agenda

10:30 – 11:30 a.m.	Registration and Table Set Up
11:30 – 12:30 p.m.	Lunch for Industry Representatives
12:30 – 12:45 p.m.	Welcome and overview of opportunities at UH to engage with AI (Claudia Neuhauser, Director of the HPE DSI)
12:45 – 2:30 p.m.	Presentations by Industry Representatives on AI followed by a Q&A Panel
2:30 – 2:45 p.m.	Break
2:45 – 3:45 p.m.	Panel Discussion: How to become competitive for an industry job in the age of AI
4 – 6 p.m.	Career Mixer

Event Highlights

Industry Insight Talks:

Companies will have the opportunity to talk about the latest AI innovations and their transformative effects on their industry sector. We invited companies from energy, healthcare, tech, and more. Students will have the opportunity to engage with you and discuss the role of AI in shaping the industry landscape.

Career Advancement Tips:

Networking Opportunities: Provide opportunities to our students to connect with professionals and peers in the field. Exchange ideas, share experiences, and attract students to your company.

Interactive Career Panel:

Tell our students what skills and knowledge are essential to thrive in an AI-dominated industry, and give them first-hand advice on making themselves a standout candidate. A perfect opportunity to answer their burning questions!

AI Career Mixer:

Meet face-to-face with our students who are looking for internships and employment opportunities upon graduation. Peruse their resumes and interview them at the Fair!
