

Faculty Curriculum Vitae

NAME: Ali K. Kamrani
POSITION/TITLE: Associate Professor
OFFICE ADDRESS: E213 –D3 (Engineering Building 2)
OFFICE TELEPHONE: 713-743-4192
WORK EMAIL: akamrani@uh.edu

EDUCATIONAL BACKGROUND/TRAINING

Ph.D.	University of Louisville	1991	Industrial Engineering
M. Eng.	University of Louisville	1987	Engineering Mathematic and Computer Science
M. Eng.	University of Louisville	1984	Electrical Engineering
B. S.	University of Louisville	1983	Electrical Engineering

RELEVANT TEACHING EXPERIENCE

2003-pres.	Associate Professor, Industrial Engineering Department University of Houston, Houston, TX
1996-2003	Interdisciplinary Faculty, Program in Manufacturing (PIM), University of Michigan, Ann Arbor, MI
1997-2003	Associate Professor, Industrial & Manufacturing Systems University of Michigan, Dearborn, MI
1993-1997	Assistant Professor, Industrial & Manufacturing Systems University of Michigan, Dearborn, MI
1991-1993	Assistant Professor, Department of Engineering Management, Missouri Technological School, Rolla, MO

Faculty Curriculum Vitae

ACADEMIC SCHOLARSHIP/RESEARCH/CREATIVE ENDEAVORS

Areas of Interest

- Systems Engineering, modular design, Computer Aided Design, rapid prototyping and manufacturing, design and manufacturing complexity analysis, robotics and automation, data mining and intelligent decision support systems.

Journal Editorship

- Editor, International Journal of Collaborative Enterprise, Inderscience, ISSN (Online): 1740-2093, ISSN (Print): 1740-2085.
- Editor, International Journal of Rapid Manufacturing, Inderscience, ISSN (Online): 1757-8825, ISSN (Print): 1757-8817.
